GB Installation Instructions

NO ANBEFALT VERKTØY

NO SIKKERHETSINFORMASJON

FORSIKTIGHET

Les nøye følgende viktige sikkerhetsinformasjon før du håndterer eller installerer dette produktet. Det er fare for alvorlig skade ved håndtering av dette produktet. For å minimere disse risikoene, vær oppmerksom på:

- Bruk alltid vernebriller og monteringshansker under håndtering.
- Les og følg alltid alle trinnene i installasjonsveiledningen.
- Inspiser alt innhold og glass for skade før installasjon.
- Ekstrem forsiktighet bør utvises når du håndterer glasset under installasjonen, da det herdede glasset kan knuses hvis det kommer i kontakt med en hard overflate.
- Håndter det herdede glasset med forsiktighet! Feil håndtering av glasset kan føre til at det går i stykker plutselig i små biter (aldri i spisse fragmenter).
- Ta alltid alle forholdsregler for ikke å berøre det herdede glasset med verktøy under installasjonen, eller etter installering.
- Ikke skjær eller modifier det herdede glasset, da det vil knuses hvis det kuttes.
- Fjern produktet forsiktig fra emballasjen og behold emballasjen til installasjonen er fullført.
- Inspiser alle deler for skader; Hvis det er skade på enheten før installasjon, vennligst kontakt kundeservice på nummeret som er oppgitt i denne veiledningen.
- Installer dusjen på et gulv som er plant på et mykt underlag og i stand til å romme vekten av produktet og montør.
- Rådfør deg med lokale byggeforskrifter og samsvarsstandarder før installasjon og sørg for samsvar.
- Etter installasjon, og fra tid til annen, sjekk glasset for passform og finish for å sikre at ingenting har løsnet siden installasjonen.
- Ta vare på denne installasjonshåndboken for fremtidig referanse.

MERK: Tungt produkt! Du trenger minst to personer for å installere dette produktet riktig. Alt glass er herdet sikkerhetsglass i henhold til EN12150

GB TOOLS REQUIRED

GB SAFETY INFORMATION

CAUTION

Please carefully read the following important safety information before handling or installing this shower. There is a risk of serious injury while handling this product. To minimize these risks, please note:

- Always wear safety glasses and gloves while handling.
- Always read and follow all the steps in the installation instructions.
- Inspect all contents and glass for damage before installation.
- Extreme caution should be taken while handling the glass during installation as the tempered glass may shatter if in contact with a hard surface.
- Handle the tempered glass with caution! Improperly handling the glass can cause it to break suddenly in small pieces (never in pointed fragments).
- Always take all precautions not to touch the tempered glass with any tools during the installation, or after installed.
- Do not cut or modify the tempered glass as it will shatter if cut.
- Carefully remove product from packaging and keep packaging until installation is complete.
- Inspect all parts for damage; if there is damage to the unit prior to installation, please contact customer service at the number provided in this guide.
- Install the shower on a floor that is level and able to accommodate the weight of the unit and an occupant.
- Consult local building codes and compliance standards prior to installation and ensure conformity.
- After installation, and from time to time, check the glass for fit and finish to ensure that nothing has come loose since installation.
- Keep this installation manual for future reference.

NOTE: Heavy product ! You will need at least two people to install this unit properly. All glass is tempered Safety glass according to EN12150

NO VEDLIKEHOLD, GJENVINNING OG GARANTI

GB CARE ADVISE, RECYCLING AND WARRANTY

VEDLIKEHOLD | CARE ADVISE

NO Alle Silvano dusjdører leveres med dobbeltsidig Nano glass med easyclean for enklere rengjøring. Rengjør dusjveggen etter bruk med rent vann og gumminal. For kalk må det benyttes egnet rengjøringsmiddel for formålet. Vær forsiktig med bruk av svamper og kremer med slipemiddel som kan skade overflaten på glass og metall.

GB All Silvano shower doors are supplied with double-sided Nano glass with easyclean for easier cleaning. Clean the shower wall after use with clean water and a rubber squeegee. For limescale, a suitable cleaning agent must be used for the purpose. Be careful with the use of sponges and creams with abrasives that can damage the surface of glass and metal.

GJENVINNING | RECYCLING

NO Benytt hansker og beskyttelsesbriller når du gjenvinner produktet. Subbelister separeres fra glasset, legg ut beskyttelse under glasset før du begynner. Benytt en hammer og slå forsiktig på hjørnet til glassdøren slik at glasset går i stykker.

- Glasset sorteres som glass og leveres til godkjent gjenvinningsstasjon.
- Hengsler sorteres som metall og leveres til godkjent gjenvinningsstasjon.
- Subbelister sorteres som plast og leveres til godkjent gjenvinningsstasjon.

GB Use gloves and safety glasses when recycling the product. The Bottom gasket are separated from the glass, place protection under the glass before you start. Use a hammer and carefully hit the corner of the glass door so that the glass breaks.

- The door glass is sorted as glass and delivered to an approved recycling station.
- Hinges are sorted as metal and delivered to an approved recycling station.
- Bottom gasket are sorted as plastic and delivered to an approved recycling station.

GARANTI | WARRANTY

NO Alle Silvano dusjdører leveres med 5 års garanti, forutsatt at installasjonen er utført i samsvar med denne monteringsveildning og er utført av fagfolk.

GB All Silvano showerdoors comes with 5 years warranty, provided that the installation has been done by professionals and in accordance with this installation instructions.
